

Tronox Titanium Dioxide

September 21, 2017

Allergens

Tronox titanium dioxide is a synthetic or manufactured product made by purifying and concentrating a naturally occurring titanium dioxide bearing ore. Tronox titanium dioxide is a white pigment offered in dry powder and liquid slurry form.

The raw materials used to produce Tronox titanium dioxide pigment do not contain, nor does Tronox intentionally add any allergen mentioned in Annex II of Regulation (EU) No 1169/2011 (e.g., milk or milk products, peanut products, tree nuts, grains, fish or seafood, shellfish, seeds or seed products) during manufacturing process of titanium dioxide pigment.

While Tronox does no test for these substances in the final product, best current knowledge of starting materials and manufacturing processes, lead to believe that no allergens would be present.

Please contact Tronox product stewardship manager with questions regarding this statement, ChemProdSteward@tronox.com

Tronox titanium dioxide may not be directly added to food, pharmaceuticals, or cosmetics. Tronox titanium dioxide may not be used for implantable medical devices used for life-sustaining or life-supporting applications in humans.

The information set forth herein is furnished free of charge and based on technical data that Tronox believes to be reliable, to the best of knowledge. Nothing herein is to be taken as license to operate under or a recommendation to infringe any patents. This information and our technical advice - whether verbal, in writing or by way of trials - are given to the best of our knowledge but without warranty, and this also applies where proprietary rights of third parties are involved. Our advice does not release you from the obligation to check its validity and to test our products as to their suitability for the intended processes and uses. The application, use and processing of our products and the products manufactured by you on the basis of our technical advice are beyond our control and, therefore, entirely your own responsibility. Our products are sold in accordance with our General Conditions of Sale and Delivery.
