

Tronox Titanium Dioxide

September 12, 2017

Restriction of Hazardous Substances (RoHS)

Tronox titanium dioxide is a synthetic or manufactured product made by purifying and concentrating a naturally occurring titanium dioxide bearing ore. Tronox titanium dioxide is a white pigment offered in dry powder and liquid slurry form.

Tronox does not intentionally include any lead, mercury, hexavalent chromium, polybrominated biphenyls (PBB), polybrominated diphenyl ethers (PBDE), Bis(2-ethylhexyl) phthalate (DEHP), Butyl benzyl phthalate (BBP), Dibutyl Phthalate (DBP), or Diisobutyl phthalate (DIBP), in level exceeding 1000 parts per million by weight (0.1%), or cadmium in level exceeding 100 parts per million by weight (0.01%) during the manufacturing process of titanium dioxide. Annual test results of these substances were non-detected.

Therefore, Tronox titanium dioxide products are consistent with Directive 2011/65/EU as amended by Commission Delegated Directive (EU) 2015/863 of 31 March 2015 of the European Parliament.

Please contact Tronox product stewardship manager with questions regarding this statement, ChemProdSteward@tronox.com

Tronox titanium dioxide may not be directly added to food, pharmaceuticals, or cosmetics. Tronox titanium dioxide may not be used for implantable medical devices used for life-sustaining or life-supporting applications in humans.

The information set forth herein is furnished free of charge and based on technical data that Tronox believes to be reliable, to the best of knowledge. Nothing herein is to be taken as license to operate under or a recommendation to infringe any patents. This information and our technical advice - whether verbal, in writing or by way of trials - are given to the best of our knowledge but without warranty, and this also applies where proprietary rights of third parties are involved. Our advice does not release you from the obligation to check its validity and to test our products as to their suitability for the intended processes and uses. The application, use and processing of our products and the products manufactured by you on the basis of our technical advice are beyond our control and, therefore, entirely your own responsibility. Our products are sold in accordance with our General Conditions of Sale and Delivery.
