

Tronox Titanium Dioxide

Management System Standards

Tronox LLC is a leading supplier of titanium dioxide pigment and takes pride in supplying safe, high quality products to its customers while minimizing impact on the environment.

As a part of this commitment Tronox LLC worldwide manufacturing facilities maintain the following management system certifications:

Hamilton Pigment, Hamilton, MS (USA)

- ISO 9001:2015 Quality Management System
- OSHA Voluntary Protection Programs Star Certification for Safety Management

Botlek Pigment, Botlek, Netherlands (Holland)

- ISO 9001:2008 Quality Management System
- ISO 14001:2004 Environmental Management System

Kwinana Pigment, Kwinana, Western Australia

- ISO 9001:2015 Quality Management System
- ISO 14001:2004 Environmental Management System
- AS/NZS 4801:2001 Occupational Health and Safety Management System

These facilities regularly undergo both internal and external audits to ensure our titanium dioxide products are consistently able to meet customer expectations and promote responsible environmental stewardship. Tronox LLC facilities comply with all applicable health and safety regulation.
